Chairman,  
FRC, A'bad zone.

Shreyash Foundation , Ambavadi, Ahmedabad.

(1) Proposal for the academic year 2023-24 submitted Shreyash Foundation School, Shreyash Hills, Ambavadi, Ahmedabad-380 015 run by Shreyash Foundation Trust, for Pre-primary, Primary, Upper-Primary, Secondary, Higher Secondary (General & Science)(**GSEB Gujarati & English Medium both**) along with relevant documents.

(2) The proposal of the school discussed in the Fee Regulatory Committee (FRC) Ahmedabad Zone. The school filed affidavit to determine the fees of academic year 2023-24. The school has produced relevant information for determination of fees with proposed expenditure of 2022-23. It is requested to determine the fees for Pre-primary, Primary, Upper-Primary, Secondary, Higher Secondary (General & Science)(**GSEB Gujarati & English Medium both**) for the academic year 2023-24, 2024-25 & 2025-26 as proposed to bear the expenditure of the school.

(3) The school has produced audit report of total expenditure for the financial year 2022-23. The FRC has gone through it. On Consideration of the audit report, it reveals that the **total is Rs.6,55,79,581/-and expenditure is Rs.5,69,14,742 and therefore the school gained profit (Excess of income over expenses) Rs.86,64,839/-.**

(4) It is described in the proposal that there will be increase in salary & dearness allowances of the teaching staff (109) and non- teaching staff (79). As per the statement of the school for the year 2021-22, the salary expenses was Rs.3,50,35,218/- for the year 2022-23 it was Rs.4,60,53,262/-. Now, the school has shown the salary expenses for the year 2023-24 is

Rs.6,81,32,838/-. The differences between previous year 2021-22 & for 2022-23 is Rs.1,10,18,044/- and it is Rs.2,20,79,576/-. The expense of salary difference shown by the school for the year 2023-24 seems to be excess. Some of the expenses are also not for the imparting of education. The student strength is 1671.

(5) The FRC is required to exercise the power conferred upon it in a very balanced manner so as to see that on one hand the school management is not deprived of the legitimate fees to be charged from the students and the students also should not suffer by paying exorbitant fees charged by the Self Financed School. The object of the Gujarat Self Financed Schools (Regulation of Fees) Act, 2017 is to prevent “**profiteering**” which is defined in Section-2(r). **According to the judgment of Hon’ble Gujarat High Court in SCA No.2356 of 2022 dtd.22.07.2022, the school is entitled to collect one month fee as term fees twice in a year and also one month fee as admission fee in case of new admission.** While determining the fees structure, it is always to be kept in mind that parents have high ambition to connect their children with reputed school and achieve modern and effective education which may lead their children towards a path of their great success in life. At the same time, it should be the expectation of all concerns from the leading institutions that they can always take care of expectations of others and provide the superb opportunity of studying in their institutions.

(6) Hence, considering the entire scenario of the school, the FRC has determined the just and fair fees **considering amount of term fees twice in each year, total expenditure of the school for the academic year 2022-23 and expenditures with the strength of the student,** the FRC has determined fees for smooth running of the school as against the fees
